Commercial real estate firm Fairchild Partners has completed a \$1 million renovation of Airport Commerce Park, an 80,000 square-foot office complex near Fort Lauderdale-Hollywood International Airport. Jose Juncadella, founder and principal of Miami-based Fairchild Partners, said the company will also build a 10,000-square foot office building on the site and complete it by the second quarter of 2010. It will be designed according to the US Green Building Council's LEED standards. The complex would be one of the first to gain certification in Dania Beach.
